Inside Sterling's Club, an exclusive private members club set to debut in late 2026.

Mark your calendars, Naples! [Sterling's Club](#), an exclusive private members club housed within The Carnelian, is set to debut in mid-2027.

Sterling's Club will sit on the sixth floor of The Carnelian, an all-suite, all-club-level, five-star boutique property in the heart of Naples. This private enclave will be the epicenter of entertainment, fine dining, and socializing. Highlights of Sterling's Club include:

Dining

Sterling's will feature an all-day dining and entertainment venue, The Club Room, in addition to The Dining Room, which will serve nightly dinner and weekend brunch.

Sterling's Club will serve as the epicenter of entertainment, fine dining, and socializing for members and guests.

The Champagne Bar boasts a curated selection of rare vintage Champagnes paired with sushi and crudo, while The Wine Cellar boasts a \$1 million dollar wine collection and private wine lockers for members, accompanied by in-house Court of Master Sommeliers.

Boulevardier, an intimate cigar lounge, offers small-batch spirits, and the sultry speakeasy Jetlag serves theatrical craft cocktails while immersing guests into a retro-aviation experience.

Culture

Live shows, curated art events, and intimate gatherings will be made possible through partnerships with Artis–Naples and Gulfshore Playhouse. Members can also enjoy The Drawing Room, a private corner to work, read, or lounge. Plus, peruse the rare book collection.

Wellness

The 23,000-square-foot Wellness Club will be available to members and hotel guests. Members can access complimentary private training and a Hydrotherapy Zone featuring a hammam, cold plunge, and infrared salt sauna. The spa will feature eight treatment rooms, a hyperbaric oxygen chamber, beauty services, and a sports suite featuring a golf simulator, an honor bar, and a billiards table. Professional trainers and a dedicated lifestyle director will offer curated wellness journeys tailored to members, while the on-site cafe will serve fresh-pressed juices and nutritious bites.

The Rooftop features two experiential pools—one adult-only for relaxation and an active pool. Bookable cabanas will be available for members.
